## 2 Channel

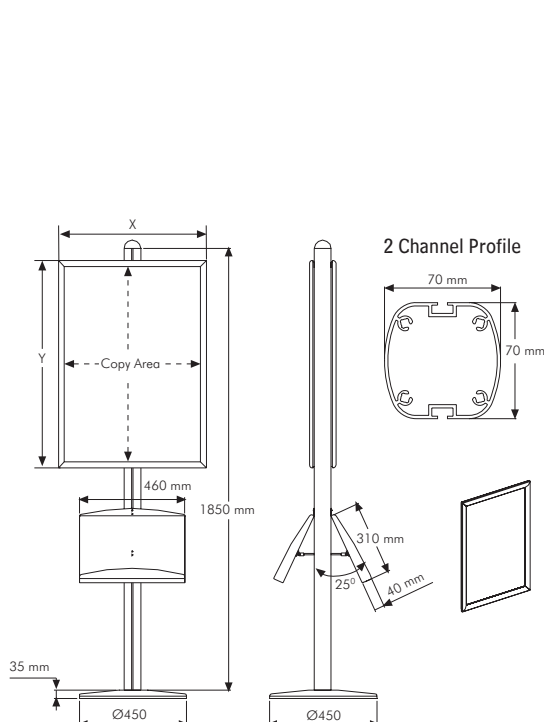

An ideal brochure stand that allows various different models for indoor use. The channels on both sides of the central pole hold single or double sided frames and shelves alone or all at the same time. The frames are suggested either in 30 mm or 32 mm profiles. The powdercoated steel shelves are 1,2 mm thickness, and the clear acrylic shelves are 4 mm clear acrylic. Each shelf has 2xA4 capacity.

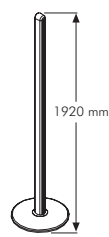

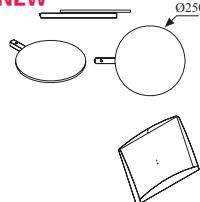

Product is packed unasssembled with an easy instruction sheet & fixing set.

Make up your own stand in your desired variation. Heavy & stable base for public space.
